

Application for SandraWalter.com Class Scholarship

Please answer the questions below on this form or in a separate email.

Name:

Email:

Location:

Scholarship class access is granted for three months at a time.

Which class are you interested in?

What are your Ascension goals, practices, or spiritual experiences which support your interest in this class? (Be brief, your complete history is not necessary.) A genuine interest in Christ/Crystalline/Unity Consciousness is required.

If applying for the Wayshower class, include your website, social media or links to existing creations.

Balanced Energies and Scholarship Requirements:

To keep a balanced energy exchange, consider offering the following:

- Share the Unity Meditation announcements with groups, friends, family, in any creative way possible.

- Please limit your emails and questions. For some reason *free* folks tend to fill my email box or dominate the class calls - I ask that you refrain from doing this. This is about self-empowerment. Read the directions, follow the class, do the work, be respectful of the exchange.

- You agree to respect the class material, keep student sharings confidential, and agree not to repost any of the class material online in any format.

- I can always use co-creative assistance with design, graphics, editing, video, transcription, publishing, social media, webinars, event coordination or tech web skills. Let me know what you are good at. How can you assist?

I agree to the above exchange.
